   )      OF SUPERVISED RELEASE

16                   An evidentiary hearing on a petition for violation of supervised release in this case was  
17                   scheduled before the undersigned Magistrate Judge on September 11, 2007. The United  
18                   States was represented by Assistant United States Attorney Ronald J. Friedman, and the  
19                   defendant by Robert W. Goldsmith. The proceedings were recorded on cassette tape.

20                   The defendant had been charged and convicted of Conspiracy to Distribute Controlled  
21                   Substance. On or about September 5, 2003, defendant was sentenced by the Honorable  
22                   Robert S. Lasnik to thirty (30) months in custody, to be followed by five (5) years of  
23                   supervised release.

24                   The conditions of supervised release included the requirements that the defendant  
25                   comply with all local, state, and federal laws, and with the standard conditions. Special  
26                   conditions imposed included, but were not limited to, participation in a substance abuse

01 program, consent to search and seizure and no possession of firearms. Due to previous  
02 violations of supervised release, defendant's supervision was modified to direct that he reside  
03 at the Pioneer Fellowship House for 120 days.

04 In a Petition for Warrant or Summons dated August 7, 2007, U.S. Probation Officer  
05 Monique D. Neal alleged the following violations by defendant of the conditions of his  
06 supervised release:

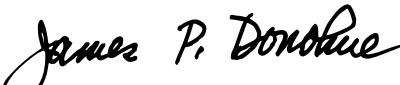

07 (1) Failing to satisfactorily participate in a residential reentry center program for up  
08 to 120 days by being terminated from Pioneer Fellowship House on July 19, 2007.

09 On September 4, 2007, the defendant made his initial appearance. He was advised of  
10 the allegations in the petition and of his rights. An evidentiary hearing was scheduled for  
11 September 11, 2007. On September 11, 2007, at the scheduled evidentiary hearing, the  
12 defendant was again advised of the allegations and of his rights, and admitted to violation  
13 number 1.

14 I therefore recommend that the Court find the defendant to have violated the terms and  
15 conditions of his supervised release as to violation 1, and that the Court conduct a hearing  
16 limited to disposition. A disposition hearing has been set before the Honorable Robert S.  
17 Lasnik for September 26, 2007, at 9:00 a.m.

18 Pending a final determination by the Court, the defendant has been released, subject to  
19 supervision.

20 DATED this 11th day of September, 2007.
